Bravilor Bolero Turbo 403

A robust coffee machine producing up to 960 instant drinks an hour, the Bravilor Bolero Turbo 403 comes with four canisters for coffee, espresso, chocolate, espresso-choc, cappuccino, coffee with milk, latte macchiato and hot water.

There is also a separate hot water tap to make tea or soup. With an energy-saving mode and a hot water system less prone to scaling, the machine features a descale/filter replacement indicator and a rinsing programme with a rinsing function on the operating panel. This machine is ideal for caterers and businesses that need consistently on-demand volumes of drinks in a day.
