Bravilor Bolero Turbo XL 403

The super-sized version of the Turbo 403, the XL Turbo 403 comes with four extra-large canisters for coffee, espresso, chocolate, espresso-choc, cappuccino, coffee with milk, latte, macchiato and hot water.

A separate hot water tap enables the user to make tea or soup. With all the same features as the Turbo 403, the machine benefits from a descaling/filter replacement indicator and a rinsing programme with a rinsing function on the operating panel. Perfect for business that requires vast quantities of instant hot drinks.
