

FILTER

Bravilor Bonamat B20

The Bravilor Bonamat B20 brews large quantities of filter coffee into one or two 20-litre flasks ready for serving. The B20 from Bravilor is a quality coffee brewing system suitable for hotels, restaurants and caterers.

With a digital display and a coffee-is-ready signal which alerts you when your coffee is ready to serve, a built-in timer and security provisions, it is an efficient brewing system providing up to 375 coffees of consistent quality an hour.
