

## ESPRESSO

# Casadio Undici

The Casadio Undici 2 Group is a compact espresso machine designed to impress customers and baristas alike. The Undici can be personalised to the user, creating the perfect cup of coffee.

With two separate group heads, each with its controls, the busy café or coffee shop can produce large volumes of drinks during their busiest times. Creating 200 cups of coffee per hour makes light work of serving the best coffee whilst maintaining reliability for your peace of mind.
