# Cimbali M39

The Cimbali M39 is the perfect coffee machine solution for baristas who want to deliver top-end quality coffee to their customers. Delivering 300 cups of coffee per hour, M39 is ideal for busy coffee shops, bars or businesses requiring large volumes of coffee.

Now with the addition of the TURBOSTEAM Milk4 steam wand, it is possible to set four milk recipes - hot milk without foam, a little froth, standard froth, and a lot of foam.
