

INSTANT

CoffeTek Vitro S2

The CoffeTek Vitro S2 Instant compact soluble coffee machine has four canisters; two for coffee (you can offer decaf if you wish), chocolate and granulated milk.

With a touch screen for ease of use and customisable LED mood lighting, this machine is the ideal addition to any business that needs to produce a high and steady volume of coffee on demand. With a 5.3 litre boiler capacity, this mains water-connected machine can make 120 cups an hour.
