

INSTANT

CoffeTek Vitro S3 FBT

The CoffeTek Vitro S3 FBT Instant coffee machine, can produce up to 250 cups of coffee an hour, chocolate or Fresh Brew Tea per hour.

S3 has five canisters, so users can select from a comprehensive menu of drinks, including coffee, decaf, tea and hot chocolate. In addition, it uses granulated milk, which means less mess and more manageable day-to-day cleaning for operators. With a touch screen and LED customisable lighting, it's the perfect addition to businesses requiring large quantities of instant coffee and tea.
