

BEAN TO CUP

CoffeTek Vitro X4

For businesses requiring a high volume of espresso-based drinks, the Vitro X4 Espresso machine can produce 90 cups of espresso-based coffees each hour (with fewer daily refills than other Vitro models).

Choose from your favourite coffees (including optional decaf) that feature touchscreen technology and the added option of a media screen for a promotional video. Perfect for catering businesses, hotels, restaurants or businesses where many cups of coffee during the day. With smoked glass and curved edges alongside a customisable LED lighting system, it's highly functional and attractive.
