

BEAN GRINDER

Eureka Helios

The Eureka Helios Grinder features a touch screen for three doses and three different grinding activation modes: only microswitch, touch screen, and both.

This on-demand coffee grinder comes in a choice of colours: standard and unique, which include black, grey, white, Ferrari red, yellow and chrome. The grinder has an output speed of up to 5 grams per second, and the bean hopper has a capacity of 1.2kg. The ACE anti-clumping system means that the machine produces consistently fine grounds
