

## BEAN GRINDER

# Fiorenzato Pavelly F64

With automatic 64mm burrs and a 1.5kg capacity bean hopper, the Fiorenzato Pavelly F64 is an electronic on-demand coffee grinder designed to make the barista's work easier.

Choose between single, double or continuous measures of coffee using the intuitive touchscreen, which also displays the ambient conditions and a timing clock. The F64 is a consistent, efficient and micro-manageable coffee grinder for baristas that are serious about coffee.
