# Rex Royal S2

Producing up to 60 cups of coffee per hour, the Rex-Royal 2 is a Swiss-manufactured professional coffee machine best suited to businesses with medium capacity requirements.

Ideal for hospitality service, the S2 also produces two drinks simultaneously. Choose from a selection of 24 drinks from the 7-inch touchscreen menu. The screen is also capable of video, allowing for branding or upselling opportunities to customers. The innovative, fresh milk system on the S2 creates micro-foam, creating speciality coffees; consistently.

\*ALSO AVAILABLE AS MCTI, MCST, MCSTI & MCT
